Educational Support & Strategic Planning

"I was extremely impressed with Lemongrass

Consulting when its CEO, Clovia Hamilton facilitated a strategic planning retreat for the Fulton County Department of Health and Wellness General Medical/

Nursing Division. Her presentation was informative, and the retreat attendees gained a better understanding of the strategic planning process." - Carolyn McKenzie

Community Outreach

Lemongrass Consulting has helped the Dewberry's of Dewberry Capital and the Restaurants Consulting Group with their zoning and permit needs. We have also served the premier permit expediting firm Permitting Consultants Ltd with zoning applications, community outreach for buy-in, and meeting facilitation. We have also helped Tuskegee with outreach for the Revitalize Tuskegee Forum.; and the EJConference regarding rural, small town development.

Business Counseling & Training

Clovia Hamilton has served as a Small Business Procurement Counselor and Program Manager at Dept of Defense Procurement Technical Assistance Centers. Clovia has taught several government contracting courses and provides small business counseling.
